5	The petitioner makes specific allegations. The main points are (1) that Mr. Yamadachar got the contracts or orders. (2) that in some cases extension of time was granted, & in others deposits were forfeited (3) Cheaper tenders were not accepted. Attention is invited to orders of the Dewan on the previous page. I do not think there will be use in sending the original petition for report. If we are to ascertain how matters stand, the information asked for in the draft may suffice. Even if the allegations are true, I can quite realise the Dept's position. Men like Mr. Yamadachar & Mr. Sundara Murthy Mudaliar were to be preferred as first entrants will be safe.

Thus the largest slice was gone to Mr Ramdachar who is not by profession a master carpenter. This has naturally led to some heart-burning. There were on the whole 12 tenderers. I do not know why some of our technical Schools like the Mysore Chamarajendra Tech. Institute have not competed for work. As Govt are spending a large amount of money, I think it is open to these Schools when they execute orders for the public, also to execute orders for Govt depts?. For the future, wider publicity may be asked to be given to the calling of

Office of the Inspector General of Education in Mysore,

Bangalore, 7th February 1916.

My dear Mr. D'Souza,

In reply to your D.O. No.3449/Edn.34-15-61 dated the 20th January 1916, I beg to enclose herewith the statement called for, regarding the purchase of furniture by the Education Department during the years 1913-14 and 1914-15 and to add that the tender system was not in existence in 1912-13.

As regards the other points raised in your letter, I have to state as follows:--

(1) In no case was the deposit amount forfeited to Government. In the case of one Mr. Tirumalachar, Mysore, the order was cancelled and he was asked to take back his deposit money. Nothing has been heard from him, although it is over six months.

(2) Excepting in the case of Mr. B. K. Garudachar,
